

## About Us

Community Action Partnership of the Greater Dayton Area was established in 1964 as a non-profit corporation.

Our mission is to work in partnership with local communities to eliminate the causes and conditions of poverty and to promote individual independence and self-sufficiency.

We fulfill our mission through programs like the Micro-Enterprise Business Development and Training Program.

# Micro-Enterprise Business Development and Training Program

## The Micro-Enterprise Business Development and Training Program may be for you!

Community Action Partnership's Micro-Enterprise Business Development and Training Program has the tools you need to start and grow your own business.

Through the program, we have assisted individuals in starting and maintaining many businesses including catering, landscaping, home repairs, dance instruction, floral design, childcare and marketing.

## Program Benefits

**In only 10 weeks, you'll learn to write a business plan from which you can start and grow your own small or home-based business.**

### In addition:

- Experienced accountants, bankers, and other business professionals lead informative and timely sessions.
- Our computer lab allows you to research business topics and create a business plan.
- Classes are small, and instructors provide individualized learning and encouragement.
- On site child care is available on a first come, first serve basis.
