LANDLORD LETTER

Dear Landlord/Agent:

One of your tenant(s) _____ has applied to our program for free weatherization on your property. Under a federal program we can provide materials and labor, at no cost to you, to make energy saving improvements to your property.

Our trained crews/contractors can install attic, sidewall, and floor insulation, reduce air leakage, and provide maintenance on the heating system as needed.

The purpose of this program is to save energy and fuel, and to help your tenant save on fuel cost. We feel this program will benefit both you and your tenant.

If you are willing to give your consent to make these energy efficiency improvements, we simply ask that you sign the attached agreement.

This agreement will allow us to enter your property to make the improvements. Rent increases and evictions: this part of the agreement simply asks you not to raise the rent or evict the tenant because of the work we have done. The agreement does not stop you from raising the rent for any increased cost (that is not a result of the work). However, your tenants may file a complaint with us should they believe that increase is unjustified. In that case, we will ask you to prove that the reason for the increase is not the weatherization work. You may still evict the tenant if the tenant does not meet his or her legal obligations to you. Sale of the property: This part of the agreement asks that you inform us should you intend to sell the property during the period of the agreement. If the property is sold during the term of the agreement, you must reimburse us for the cost of the work done or obtain a written agreement from the new owner to continue the terms of the agreement.

If you agree, please sign the agreement and return it by mail as quickly as possible, and if you have any questions, please feel free to call our office between 8:00 a.m. and 4:30 p.m., Monday – Friday.

ENERGY ASSISTANCE PROGRAMS APPLICATION JULY 2025 – MAY 2026

Ohio's Energy Assistance Programs can help income eligible Ohioans manage their utility bills. The Home Energy Assistance Program (HEAP), and emergency HEAP provide the benefit directly to a customer's utility bill. The Percentage of Income Payment Plan Plus (PIPP) is an extended payment plan in which customers pay a percentage of their income toward their utility bill each month. If you are looking to improve the energy efficiency of your home to help lower your energy bills, the Home Weatherization Assistance Program (HWAP) or Electric Partnership Program (EPP) may help. For HWAP and EPP, visit energyhelp.ohio.gov to find your local provider and contact them for additional information.

You can apply for the energy assistance programs by visiting energyhelp.ohio.gov and completing the online application, by completing this application and mailing it with copies of documentation to the P.O. Box below, or by scheduling an appointment with your local energy assistance provider or HWAP/EPP provider. Applications completed online or by mail can take up to 12 weeks to process. Please visit energyhelp.ohio.gov for additional information.

Here's what you'll need to complete this application:

- Proof of citizenship for each member of the household
- Proof of income for each member of household for either the previous 30 days or 12 months
- Copies of your most recent utility bills
- Disability verification (if applicable)

A household is defined as any individual or group of individuals living together as one economic unit for whom residential energy is customarily purchased in common or who make undesignated payments for energy in the form of rent (Per Section 2603 (5) of the Low-Income Energy Assistance Act of 1981). If you live in federally subsidized housing and have a utility bill in your name, you may be eligible for assistance. A copy of the utility bill or documentation of responsibility (example: copy of your rental agreement/lease or signed letter from your landlord) is required.

For a dwelling unit to be eligible for energy assistance benefits, its primary heat source must be:

- A regulated or unregulated utility (gas and electric).
- A permanent, free-standing fuel tank (oil and propane).
- A legal fireplace (wood).
- A legally vented wood/coal stove or furnace.

Residents of any licensed medical facility (hospital, skilled nursing facility or intermediate care facility) or publicly operated community residence (example: YMCA) are not eligible. Boarding/rooming houses, group homes or emergency shelters are also not eligible.

If eligible, the HEAP benefit amount will depend on federal funding levels, how many people live with you, total household income and the main fuel used. In most cases, benefits are applied directly to the heating bill by the utility company. If you are reverifying your PIPP amount, it will be based on either 10% or 5% of your total household income for the past 30 days, depending on your heating source.

These are the programs you can apply for with this application:

- Home Energy Assistance Program (HEAP).
- Percentage of Income Payment Plan Plus (PIPP).
- Home Weatherization Assistance Program (HWAP).

ENERGY ASSISTANCE PROGRAMS APPLICATION JULY 2025 – MAY 2026

Terms of Agreement

- I agree**
- To pay my Percentage of Income Payment Plan Plus (PIPP) amount for my electric and/or natural gas service every month.
 - To go to my local energy assistance provider or to energyhelp.ohio.gov to reapply at least once a year with updated household information, and income documentation in order to remain eligible.
 - To contact my local energy assistance provider or go online to energyhelp.ohio.gov to report any changes to my total household income or number of household members, within 30 days of the change.
 - To accept any energy efficiency programs offered by Development or its designated providers, if eligible.
 - To allow my utility companies to release my name, address, telephone number, household member information, amount of my utility usage, and total past due amount to Development and agencies performing weatherization services and/or provide other energy related services.
 - To allow Development to release my name, address, telephone number, household member information, and current status to the utility companies, and other energy assistance providers.
 - To allow Development to share my usage and demographic data with organizations contracted by Development to evaluate the programs administered by Development.
- I understand**
- I will not be re-verified if I owe any PIPP payments. I must make up these payments by the next billing cycle, or the due date given to me by my utility companies.
 - If I miss three or more consecutive payments, I will receive a notice on my bill and have one billing cycle after the notice to make up payments or be dropped from PIPP.
 - If I do not re-verify my income at least once every 12 months, I will be dropped from PIPP.
 - If I do not make up missed PIPP payments by my stated anniversary date, I will be dropped from PIPP (I understand the PIPP verification and anniversary dates are printed on the utility bills each month).
 - If eligible for EPP, I agree and/or understand that enrollment to accept EPP services is required to maintain eligibility for PIPP Plus.
 - If I make my PIPP payments in full and on time every month, I will receive a credit for 1/24th of my total past-due amount, and I will not need to pay the difference between my PIPP payment and my actual bill amount.
 - If I reapply for PIPP and I am not eligible, or if I choose to be removed from PIPP, I can enroll in Graduate PIPP for up to 12 months after the date I am removed and still receive credits toward my past-due amounts owed on my utility accounts.
 - If I move out of the service area for my gas/electric company, I can enroll in the Post PIPP program to make payments on my closed account and receive credits toward the past-due amounts.
 - I am legally responsible for all past-due amounts on my gas and/or electric accounts and if I am no longer enrolled in PIPP, the past due amounts will become due. If these past-due amounts are not paid in full, the utility companies may use any standard means of collection for the past-due amounts on my accounts.
 - I may appeal if my application is not decided upon within 12 weeks. I also may appeal within 30 days if I disagree with my benefit amount or if I was denied assistance.
